*"Time and the ocean, and some fostering star,
In high cabal have made us what we are."*

Sir William Watson

What is time? Time is forever and a day, for years on end; all the year round, all the day long, morning, noon and night; hour after hour, day after day, month after month, year after year; that first step forward opening a world of new and exciting things to come . . . the ocean of knowledge at our feet . . . some fostering star accompanying us along the way . . . all unite to make us what we are.

Today, after taking that first step, we are here attempting to cultivate the wealth of knowledge offered us. California State Polytechnic is our ocean.

It is now up to the individual to take full advantage of the united opportunities offered him.

President's Message

It is with great pleasure that I respond each year to the request from the EL RODEO Editor to provide a President's Message for the yearbook. I have always felt that the College yearbook is a most valuable publication for it preserves for all time, in picture and the written word, a one-year history of the lifeblood of any college — its students, faculty and staff.

Much can be learned about the history, tradition and development of a college by reviewing these annual publications. I still cherish looking through the yearbooks of my college days and recalling events and activities that will always be fond memories. I am sure that you too, in future years, will time and again look at this year's EL RODEO and recall the many wonderful times of your college career.

As you look through the 1965 edition of EL RODEO you will find recorded in its pages the significant events of the 1964-65 school year. It was a year of many accomplishments for the college. For those of you who are graduating, I hope that you will become active alumni and help Cal Poly continue to have significant years of accomplishment in the future.

Best Wishes,

Student Body President's Message

Malcom Kemp
A. S. President

Where were you in 1965? Remember that homecoming float? . . . that last final in December? . . . or was it that Poly Royal exhibit? This was one of the years that you were involved in Cal Poly. We all came to this school for an education and we were offered many avenues which led toward the idealistic goal of an all-inclusive education; that goal for which Cal Poly is continually striving.

Student government is responsible for many of these avenues of education. But what is student government? Consciously or unconsciously, you participated in some form of student government, whether it was through your department club, an interest club, or a formal element of governmental structure. The success of the Student Body is entirely dependent upon the success of each individual part of that student body. A leader cannot make a group succeed. Success comes only from the individuals within the group.

It has been a rewarding experience to serve you as President this year. Now it is the time to thank each of you for making this year a successful one. I am proud to have been a part of this student body.

Malcom Kemp

Senior Class Officers

Left to Right, Bottom Row: Bill Weir, President; Jana Mosgar-Zoulal, Secretary; John Rogalla, Adviser. Second Row: Mel Focha, Vice-President; Stan Portugal, SAC Representative; and Winston Walker, Treasurer.

The senior class officers were busily preparing the class for graduation activities this year. The main activities of the class took place during Senior Week — June 13-19. They included a barbecue, bacca-laureate, Senior gift presentation, treeplanting ceremony, Senior Ball and the Commencement.

Junior Class Officers

Under the leadership of Ted Van Tuyle, the Junior class sponsored the Frosh-Soph Brawl, and a Stomp with the Regents providing music. Profits from the Stomp went to the March of Dimes.

Left to Right: Jim Pricco, SAC Representative; Richard Bostdorff, Committee Chairman; Diane Grimm, Secretary; and Bob Cathaway, Publicity.

Sophomore Class Officers

Left to Right: Randy Linquist, SAC Representative; Kay Davis, Secretary; John Dade, President; Suzanne Gray, Treasurer; and Bob Law, Vice-President.

A dance with music by the Collegians and the sponsoring of Ugly Man Dave Lee were some of the activities of the class. Other activities included a stomp with the Pacifics providing music, and a dance with music by the Safaris. At Poly Royal the class sold hats and ran a carnival booth.

Freshman Class Officers

Left to Right, Bottom Row: Jane Thorpe, SAC Representative; Rain Des-sayer, Secretary; and Vicki Randall, Treasurer. Second Row: Dave Rader, President; and Ron Nelson, Vice-President.

This committee is concerned with the issuance of all awards on campus. These range from the College Union to Who's Who and include Music Board, Poly Royal, Athletic Awards. The job of selecting the recipients is not an easy one and takes much deliberation and forethought.

The Freshman class, while adjusting to college life, participated in the Frosh-Soph Brawl and lost. The penalty was the care of the "P" for the year. The class also sponsored a Grub Stomp.

Awards Committee

Left to Right, Bottom Row: Nancy Bamberger, Sharon Renck, Gigi Green, Vicki Brodrick, Linda Leedham. Second Row: George Coughlin, Ken Aoyama, Julie Erickson, Sandy Wright, Jim Ignatieff, Gary Cutshall.

Board of Publications

Left to Right, Bottom Row: Marcia Romberg, Judy Cochran, Charlene Klempner, Mary Dodder. Second Row: Joseph Truex, John Healey, Loren Nicholson, Larry Hubbell, Chuck Smith.

This group serves as an advisory board to all publications on campus and is composed of representatives of each of these. Also included are faculty representatives and the College President's representative.

Constitution & Codes Committee

Left to Right, Bottom Row: Karen Wood. Second Row: Robert Mattes, John Howard, John Bates.

It is the function of this body to review all complaints concerning violations of constitutions or codes. They are also responsible for recommending changes in existing codes or constitutions.

Election Committee

Left to Right, Bottom Row: Susan Baat, Donna Grammer, Sue Dollar, Charlene Kroger, Marilyn Kidder, Jean Steve, Jana Zoulal, Judy Pettit, Sandy Wright, Vicki Brodrick. Second Row: Barbara Smith, Barbara Foley, Mary Lamb, Robert Mattes, Ken Slocum, Nancy Sanger, Carolyn Drake, Christine Kelly, Sharon Renck, Kathy O'Neill, Patti Hill.

Supervising the conduct of all campus elections comprises the majority of the duties of the Election Committee. The election code must be supplied to all persons concerned with the publicity or operation of each election and then a followup is often necessary due to violation charges made by candidates or outside parties. This is a very important function to our system of student government.

El Mustang News Staff

This large group has as its primary function the collection and writing of the news stories for *El Mustang*, the college newspaper. They may be spotted reporting the news anywhere on campus and at any time. The experience gained by these students has proven invaluable in securing jobs as newspaper men and women after graduation.

Left to Right: Frank Jeans, John Healey, advisor; Dave Kishiyama, Rick Miller, Norm Nelson, Edna Togawa, Steve Wolfson, Carole Masteller, Molly Martin, Robert Boyd, Gary Beall, Lin Key, Maureen Lund, Jack Hill, Mary Keil, John Berilla, Bud Ross, Walter Crites, Carol Mills; Horseshoe center, Toni St. Onge, and Mary Dodder, editor.

John Healey, advisor.

El Mustang Advertising Staff

The duties of the *El Mustang* Advertising Staff consist of arranging the layouts and contacting the local merchants wishing to purchase ads in *El Mustang*, the campus newspaper. Under the direction of Loren Nicholson the staff does an excellent job of providing sustenance for the publication.

Bottom Row, Left to Right: John A. Berilla, Judy Cochran, Karin Froyland, Walter Crites. Second Row: Loren Nicholson, advisor.

El Rodeo

Clockwise, beginning at front right, staff members are: Jane Lutticken, Kim Cooper, Charles Smith, Judy Cochran, Charlene Klemner, Monty Odett, Cliff Gillette, Jim Hildebrand, Richard Bradham, Harvey Unti, Steve Mieth, Mike Shanley, Jim Luly, Hal Thomas, and Lois Parker. Seated in center are, left to right: Claudia Snyder, Cathy Crosbie, Laurie Marek, Terri Vieira, Lynne Warner, Marcia Romberg, and Cheryl Affleck. Not Pictured: Jo Warren.

Finance Committee

The Finance Committee is responsible for all school finances. This group coordinates a yearly budget and has the task of keeping it balanced. Appropriations are made to separate committees which are formed for the purpose of organizing special dances and assemblies.

Left to Right, Bottom Row: Steve Mayer, Kent Foster, Robert Spink. Second Row: Everett Channeller, Harold Mantle, Malcom Kemp, Craig Brammer, Donald Nelson.

Homecoming Executive Board

Left to Right, Bottom Row: Susan Baat, Merkey Peterson, Pat Maas, Susan Lowe. Second Row: Sandie Hochstatter, Barbara Fdey, George Coughlin, Ken Leathers, George Soares. Third Row: Bus Ellison, Rob Oleson, John Meek, J. LoConte, Robert Chase.

The organization and presentation of the Homecoming activities for alumni, faculty, students and the surrounding community are carried out by the Homecoming Executive Board. The election of the Homecoming Queen and her court and their presence at the parade, game and dance are all further responsibilities of this committee.

Inner Class Council

Left to Right, Bottom Row: Viki Randall, Jane Thorpe, Rain Dessayer, Kay Davis, Suzanne Gray. Second Row: Stan Portugal, Mel Focha, Bill Weir, Winston Walker, Ron Nelson, Jim Pricco, Fred Genthner, advisor. Third Row: Randy Linquist, Bob Law, Jana Mosgar-zoulal, John Dade, Doug Yungling, Diane Grimm, Dave Rader, Ted Van Tuyle, Larry Andriesen.

Photo Bureau

Mr. Jack Hill and Don Depue

The Photo Bureau is responsible for all pictures printed in campus publications. Its members take, develop, and print many of the pictures used in El Mustang and El Rodeo.

Poly Royal Board

The Poly Royal Board organizes all the Poly Royal weekend events. The entire weekend including queen selection, the carnival, the rodeo, and the displays are pre-planned and organized by this committee composed of members from each major division and club.

Left to Right, Bottom Row: Richard Soares, Sondra Schwarz, Susan Maggs, George Soares. Second Row: Walter Heer, Jim Copeland, Tom Grundman, Bruce Kronmiller, Oswald Falkenstern, Assistant Advisor. Third Row: Jim Hill, Kent Cheeseborough, Tim Hogan, Bob Pinkerton.

Poly Royal Activities

Poly Royal activities include displays by each department. Pictured are Engineering students hard at work in the Engineering West patio.

International students set up displays from their countries for Poly Royal activities.

Student Affairs Council

Left to Right, Bottom Row: Dr. Dan Lawson, advisor, Jim Pricca, Sandy Wright, Karen Froyland, Jane Thrope, Gary Miklos, Frank Rivera, Dwight Perry. Second Row: Stan Portugal, Larry Hubbell, George Soares, Bill Studley, Jack Montgomery, Robert Wilson, Robert Spink. Third Row: Dale Presson, Malcom Kemp, Bob Thomas, Randy Linquist, Rodney Sawall, Robert Mattes, Bruce Robinson, John Theilen.

The Student Affairs Council, which is composed of three elected positions representing the entire student body, three representatives from each of the four division councils, and one representative from each of the four classes, one representative from each of the following boards: Poly Royal, Music, Publications, Athletics, and College Union, is the policy making student organization on our campus. Faculty members represented are the Dean of Activities, the President's representative, and the Graduate Manager.

SAC sets policies concerning student activities and also establishes committees to look into programs such as campus radio. Occasionally a joint committee is established with student representatives from SAC, faculty members, and members from the administration.

Our SAC, twice each year, meets with SAC from Cal Poly at Pomona to exchange problems and ideas common to both campuses.

Robert (Bob) Spink, a graduate from Cal Poly, presides over the ASI office as Graduate Manager. Dr. Dan Lawson is Dean of Activities, and Miss Linda Hamlin and Miss Peggy Newgarden are Activities Advisors.

Bob Spink relaxes during a busy schedule to read Cal Poly's own El Mustang.

Mrs. Elaine Spickler assists a Cal Poly student in locating a room available for his club's weekly meeting.

Mrs. Phyllis Stewart keeps the books in balance for the Associated Students.

WOW Camp Counselors

WOW Camp Counselors are the lovely people who give the incoming students the idea that Poly is a great place to be. They aid them with first week problems and contribute to the first week of fun at Cal Poly. The camp offers the whole outdoors to help convince new students that there is no place like Poly.

Left to Right, Bottom Row: Sharon Boysen, Becky Probert, Cathy Yates, Fur-Ed & Sin, Suzanne Gray, Melanie Dietz, Laurie Nilmeier. Second Row: Carolyn Drake, Diane Thomas, Sandra Galba, Elizabeth Bubbs, Richard Rose, Gigi Green, Ted Deehr. Sixth Row: John Emery, Sharon Renck, Bob McDonald, Taffy Woodman, Craig Brammer, Robert Weaver, Gordon Todd, Mac Dyer, Jan Brubaker, Craig Colledge.

WOW Campus Counselors

The WOW Campus Counselors are the great people who help the new and transfer students adjust to campus and college life here at Poly. They conduct discussions of first week problems and are the leaders of the rollicking meals in the cafeteria. The activities of the first week are instigated by these people and the fun the students have must be partly their fault.

Left to Right, Bottom Row: Carla Barber, Ron Love, Betty Kirkpatrick, Martin Miller, Alice Miller, George Coughlin, Lindy Ward, Bill O'Hara. Second Row: Carolyn Drake, Bonnie Lamb, Marilyn Kidder, Kathy O'Neill, Charlene Kroger, Vicki Brodrick, Melanie Dietz, Becky Probert, Sandra Galba, Diane Thomas, Mary Young. Third Row: Richard Rose, Sheryl Smith, Mary Messer, Mary Esser, Elizabeth Bubbs, Suzanne Gray, Laurie Nilmeier, Cathy Yates, Sharon Boysen, Wendy Pirog, Khalil Gharbi, Ted Deehr. Fourth Row: Allan Douglas, Shirley Swift, Glenda Henderson, Steffi Koobation, Karen Froylan, Margie Doman, Cheryl Weinkauff, Sandie Hochstatter, Nancy Whippo, Jo-Ann Campbell, Raj Thapar, Dale Presson. Board

Rittenhouse (Advisor), Arnold Dean (Advisor).

College Union

The College Union Board, composed of the chairmen of the ten committees in College Union plus the College Union General Chairman, the Vice-Chairman, the two Secretaries—Corresponding and Recording—and the Treasurer, is the policy-making—hereafter referred to as hairsplitting—organ of College Union. It is responsible for deciding overall scheduling of events, general matters of interest to the whole College Union, public relations and general procedural matters, as well as occasional trivia of various degrees.

In command of all this glee on Monday nights is Jack Montgomery—jovial, pipe-smoking, occasionally bleary-eyed, but nonetheless tried and true. Second in command is Gordon Jones, of whom nothing derogatory will here be said—mainly because it is he who is responsible for this little essay. Taking the laurels as recording secretary is Pam Priddy, of whom likewise nothing derogatory shall be said, mainly because the Vice Chairman does not want to see his name in the minutes as Gordon Fink. Corresponding to Pam, (and to assorted individuals with whom College Union is in contact for one reason or another) with duties as Corresponding Secretary is Sondra Schwarz, an Impala-driving, San Francisco-loving coed. Last (to amaze one and all, I shall avoid the obvious “but not least”) among the Board execs is the third of our girls, Linda King (ideal situation for Jack and I, no? Well, no . . . the ever-diligent Vice Chairman (more imaginative than “yours truly,” no?) is engaged, and, well, I guess it has to be admitted, Jack is, well, er, sort of bashful) who is Board Treasurer and who has faced endless questions over the exact source of the funds which took her to Europe last summer.

So much for the students; the remainder of the contingent is that in-group little bunch, the advisors. They include: Mr. Rittenhouse, the President's Representative, who's a good guy when he's not peddling luau tickets; Dr. Arnold Dean whose vast quantities of sound, thoughtful and sage advice has been known to yield the following observations: “DON'T CHANGE THAT CODE **AGAIN!!!**” and who has been somehow persuaded to undertake the hazards and dangers of advisorship (not the least among which is submitting to these observations) for a number of years; Miss Linda Hamlin, Activities Advisor, whose Bah Hahbah-upbringing enables her to some-

how cope with such diverse situations as politicians named Pierre and broken generators, budget sessions and interminable committee meetings regarding a certain talent show; and our newest Activities Advisor, Miss Peggy Newgarden, whose New York calm can only occasionally be broken, as for instance, “You're holding WHAT concert in the living room of my apartment???” In fact, though, our advisors are perhaps our most valuable resource (but then, who ever heard of getting a 27% allowance on your income tax for an advisor?) and, without them, College Union could simply not progress as it has; our thanks to them can never be adequately stated, so suffice it to say that they are irreplaceable.

Lovely Joanne Dockwiler, 1964 Homecoming Queen was sponsored by COLLEGE UNION.

Those pictured are: Craig Brammer, Rush Hill, Steve Fischer, Ray Fuigii, Ginny Wilson, Margi McGookin, Eileen Arcott, Joan Keyyu, Ken Bitting, Claudia Nielson, Priscilla Layne, Diane Thomas, Pat Underhill, Ken Kaiser, Becky Probert, Clark Puntigam, Allan Douglas, Vicky Lucas, Lynne Johnson, Jeanne Ingebritson, Roy Gursky, Dave Loe, Bob Spayde, Tom Anderson, John Gilbert, Russ Gamble, John Bates, Louise Williamson, Miner Fritz, Jack Sims, Jim Sefton (Chairman).

Assembly Committee

The College Union Assembly Committee is responsible for presenting to the student body a fine array of performers. This year such performers as The Three D's, Bud and Travis, the Chad Mitchell Trio, and The Harlem Globe Trotters filled the bill on campus.

It is the ambition of the committee to have an even wider assortment of performances in the future as more proceeds are gained from current assemblies.

Further, the committee is responsible for the coordination of the College Hour programs in conjunction with any school group wishing to perform.

Dance Committee

The College Union Dance Committee coordinates the overall schedule of dances held on campus, shares financial responsibility with sponsoring organizations, and sponsors dances of their own for the benefit of the entire student body. Of the dances sponsored by the committee, the most outstanding is the annual Christmas Formal.

The efforts of this committee have been well rewarded in many a memorable evening.

Those pictured are: Dennis Jennings, Don Woods (Chairman), Joe Commings, Steve Fisher, Richard Squires, Judy Alamguer, Cheryl Weinkauff, Jandie Hochstatter, Margie Doman.

Drama Committee

The main objective of the College Union Drama Committee is to provide the Cal Poly Student Body with entertainment in the form of dramatic productions. The committee constructs the sets, chooses the plays and directs the actors, actresses and crew heads of the various subdivision committees. This year they did "Two Blind Mice" in the fall quarter and "Our Town" during the spring quarter.

Those pictured are: E. G. Kesses, Mike Umehara, Erika Wells, Rick McCarthy, Craig Brammer, Charles Warner, Lynnea Whitson, Stanley Barr, Dianna Dornaus, Judy Paisley, Roberta Wheeler, Lon Escherich (Chairman).

Those pictured are: Allan Douglas (Chairman), Peggy Oberg, Sherri Schneider, Donna Boyett, Michael Springer, Bob Miles, John North, Nem Jain, Richard Squire, Doug Pena, Jim Kirsten, Ron Tetro, Harvey Luther, Eric Lundquist, Roy Moody, Art Boynton, Fritz Haney.

Films Committee

The College Union Films Committee sponsors a series of films for the student body and staff. These films are shown on Friday and Saturday nights in the Little Theatre. Their purpose is to bring inexpensive entertainment to the students.

During the school year this committee showed about 30 films ranging from comedy and musicals to serious dramas. They try to cover many different interests and present a wide range of entertainment.

Games and Hobbies Committee

This is the fun and games department of College Union. They sponsor Ping Pong and Bowling tournaments, billiard matches and other such events as well as helping the Bridge and Chess clubs sponsor games. The promotion of other hobbies such as stamp and coin collecting are also part of the function of the Games and Hobbies Committee.

Now they are playing a game that seems to be a lot of fun, but they can't figure out how to make a tournament and find the best player. If you can help them, please do!

Those pictured are: Chuck Morrin, Rich Brady (Chairman), Don Harris.

Personnel

Committee

The College Union Personnel Committee is basically responsible for maintaining a current membership file and for determining the eligibility of members for the receipt of the various College Union Awards. In addition to these responsibilities, the committee also plans and stages the annual College Union Awards Banquet which is held during the spring quarter of the College year.

Those pictured are: Alvin Jacobson, Cynny Lynch, Patti Hill, Bob McDonald (Chairman), Craig Colledge, Diane Thomas, Ali Namakahenarron, Bill Bateman, Wendy Dias, Eric Lundquist.

Public Relations Committee

Those pictured are: Shari DuBois, Christine Kelly, Donald Hedrick, Bruce Madsen, Tom Jones, AnnaJean Law, Nanci McGuire, Francie Leix, Mary Ann Meck, Tom Blackwell, Jo Warren, Sue Dollar, Ann Woolley, Maurice Schmitz, Judi Marshall, George Conger, Ron Nelson, Vicki Lucas, Lynn Johnson, Fran Seymour (Chairman).

The primary purpose of the College Union Public Relations Committee is to publicize all activities sponsored by CU committees. Through such devices as posters, stunts and a column in the newspaper this purpose is accomplished.

The committee itself is divided into several sub-committees to carry out the various means of publicity. This committee could perhaps be called the voice of College Union.

Fine Arts Committee

The College Union Fine Arts Committee is entirely student composed, student oriented and student planned. Their objective is to introduce and present programs in the Fine Arts area and to foster both interest and participation.

Among the programs presented this year were, Eric Hawkins, modern dancer, and Dr. Murray Banks, comedian psychologist. The College Union Fine Arts Committee endeavors to present programs which appeal to the wide tastes of our students and readily adapt to our unique campus situation.

Those pictured are: Margaret DeVinny, Noel Burkley, Jim Sefton, John Jacobson, Hugh Bromma (Chairman).

Outings

Committee

The Outings Committee sponsors a year 'round program of organized outdoor recreational activities to meet a wide variety of interests suited to Poly Students. It coordinates outings among campus clubs and serves various college organizations and groups by maintaining current information about facilities for outings in the San Luis Obispo County area. The annual Yosemite-Badger Pass snow trip is the highlight of the committee's activities. The other outings include hikes to San Luis light house, Tour of Hwy 1, and the Death Valley tour.

Those pictured are: Rush Hill, Terry Rudkiu, Larry Ligget (Chairman), Tim Long.

Those pictured are: Mike Umehara, Bill Meyer, Gordon Jones, Lynn McCoy, Judy Edwards, Dennis Jennings, David Smith, Connie Silver, Craig Brammer, Kathleen York, Bob McDonald, Betty Nielsen, Nem Jain, Craig Colledge (Chairman).

Social

Committee

FUN! FUN! FUN! This describes the CU Social Committee. As one of the most active committees, it adds the spice to college life.

The "Playboy Party", "Las Vegas Night", and an "Indoor Beach Party" are just a few of the many functions sponsored by the Social Committee. It also works with International Week in creating goodwill with friends from abroad.

Thirty years ago the first volume of "Who's Who in American Colleges and Universities" was published in order to honor college students whose scholarship, service and general aptitude warranted recognition.

And so it goes today. Students are nominated by the authorities at his or her school and are selected by a committee consisting of faculty members, administrators and students.

The award is the highest award presented to any member of the Junior, Senior, or Graduate Class.

In order for a student to be eligible for this award, he or she must have a grade point average at least equal to the average of the College, and have participated in at least three major campus functions for which he or she has received activity points.

The men and women pictured on these pages are those who have given of their time so that we students at Cal Poly could enjoy the many activities on our campus.

The students of Cal Poly are proud of these students who have qualified for this honor, and it is with pride that we present them in this section of the El Rodeo.

Varsity

The 1964 Cal Poly football squad had a perfect season — their '64 record reads; wins 0, losses 10. The team featured the return of 12 varsity lettermen, 9 men up from last season's fine frosh squad, and 25 men with junior college experience. Coach Sheldon Hardon, now in his third year as head coach of the Mustangs could not seem to obtain a winning score even with this kind of player material.

The overall team weight average was 188 pounds with 169 pounds in the backfield. At the start of the season, conditionwise, the Mustangs were considered to be far ahead of last year since they had been holding double two-hour practices instead of double hour and a half practices as were held last season.

The first C.C.A.A. league game was with the San Fernando Valley State Matadors. The Mustangs started the game like they were going to win but failed. The Matadors ran up a score of 21 to 6. The next fiasco was when the San Diego State Aztecs came upon the gridiron and trampled the Green Machine 59 to 7. It was a game that sent fans home trying to recall all the scoring plays. And then Cal Poly played their foremost rival Fresno State—they lost again. The Long Beach 49ers were hosts as the Mustangs traveled to their third successive Homecoming game. As in the past, the Poly men were defeated, 47 to 0. Hardon's eleven then faced the league's mightiest team — the Diablos of Los Angeles State. This score went 68 to 7.

Now that the season is over, Cal Poly looks back to see that their opponents scored 340 points against Poly's 83. The winless Mustang squad under the direction of Hardon were outweighed, outmanned, and outplayed throughout the entire 1964 campaign.

Homecoming . . . 1964

Cal Poly 0 . . . Idaho State 20

The homecoming game was somewhat of an embarrassing mudfest as the Idaho State Bengals slipped it to the Mustangs in a 20-0 victory. Coach Sheldon Harden switched his team from the pass-oriented attack of the past to an almost complete ground game.

Idaho's first score came midway through the first quarter after the Mustangs gave up the ball on their own 48 yard line. With this, the mighty Idaho team scored in three plays and obtained the conversion, thus leading 7-0. In the second period the Bengals scored once again, giving them the 13-0 lead. After the half time festivities Idaho came back and ground the final score into the scoreboard, 20-0. The Mustangs tried in the remaining fourth quarter, but to no avail. As the clock ticked out the final seconds, the Bengals were about to score once more; but the gun sounded and saved Cal Poly from any further embarrassment.

Coach
Stuart Chestnut

The Cal Poly Junior Varsity Colts ended their season with a 1-4 win-loss record, losing to Santa Barbara, 42-0; San Jose State, 14-12; USC, 22-0; and University of the Pacific, 7-6. Their only win came with the triumphant defeat of Fresno State.

In reviewing the win-loss record, Mr. Stuart Chestnut said, "We are disappointed in our record but were pleased with the fact that we ended the season with 54 players. Our primary objective, besides winning, of course, is to hold the boy's interest, provide them with good competition, and get them ready for varsity ball next year. If we can do this, then we have had a successful 'off the record' season."

Cross Country

Under the guidance of Assistant Coach Dick Purcell, who coached track at Atascadero High School last season, the Poly distance runners had a full season as they participated in six school meets this year.

In addition to the regular schedule, the Mustang Leatherlungs took part in the American Athletic Union run at Goleta, the Aztec Invitational at San Diego, and the California Collegiate Athletic Association Championship at Fresno.

Cal Poly had letterman Roland Lint, who holds the school's cross-country course record, returning along with sophomore Fred Reich. Dave Anderson, Marvin DeCarlo, Fred Frye, Jarvis Savage, Pete Goodman, Bob Miller, and John Angelo are other team members.

The Mustangs were fifth in the C.C.A.A. League.

Water Polo

Under the fine direction of Coach Richard Anderson the Cal Poly water poloists achieved their most successful season in Mustang history. The team obtained third place in the State College Championships, winning three of their four tournament games. The only team to overpower the Mustangs was Long Beach State who received the California Collegiate Athletic Association Championship. San Jose State was awarded the second place title with an identical 3-1 record, on the basis of their placement in the upper division. The other CCAA scores were:

Varsity

Basketball

Coach Ed Jorgensen's 1964 - 65 basketball squad turned out in depth this year as 33 Varsity players showed up for practice and 26 freshmen suited up for competition.

The Mustangs had only three returning lettermen, but a lot of talent was turned loose.

Jorgensen said that this year's team did not have many stand out stars, but they did have a bunch of boys with a lot of spunk and desire to get on the court and play some good ball.

The hopes were high as far as the record went because of last year's finish in the cellar. The squad could only improve. Coach Jorgensen, who has a lifetime coaching record of 226 wins and 190 losses, had his team scheduled for 24 games and did somewhat better than last year's season.

Coach Victor Buccola's gymnastic squad opened the season against L. A. State with such stars as Dave Buettner in free exercise and long horse; Steve Endicott and Clayton Chrisman on trampoline; and Jerry Holmes on long horse. Anticipating a much stronger squad than last year, they aimed for the CCAA Championship.

Other team participants are Mike Wilson, Gary Schoolfield, Steve Mayer, and Mark Fleming.

During the season, the Poly squad met many outstanding teams — San Jose State, San Fernando Valley State, U. C. Santa Barbara, L. A. State, Long Beach State, U. C. L. A., and San Diego State.

Track . . .

Cal Poly's varsity track squad competed in six dual meets and several relay and championship events including the College Division Nat'l Championship, according to the 1965 schedule released by Coach Walt Williamson.

Coach Williamson is expecting a stronger team this year with returning runners Gary Walker, Jon Dana, Cameron Pedego, Ben Laville, Roland Lint, Roger Larson, and Dan Cockrum. New additions to the squad include Fred Riech, Jerry Pyle, Mike Vincent, Leigh Kolb, Carl Brown (frosh) and Bob Smith, Richard Jones, Monty Cartwright, Bobby Smith and Sam Nay (J C transfers).

The track squad will be in competition against Fresno State, Cal State at Los Angeles, U. C. Los Angeles, San Diego State and San Fernando Valley State.

Corky Nelson

The sixman golf team coached by Charles Hanks of the Math Department shows a promising season this year.

The team is entered in competition in two tournaments, the CCAA Conference and the Southern Inter-Collegiate. This is the ninth year that the golf team has been under supervision of Coach Hanks.

Swimming

The Cal Poly Swim Team is made up of mostly freshmen this year, having only six returning lettermen. These are Phil Heintz in the 100 and 200 meter butterfly, Roger Moblad in the 100 and 200 meter free style, Sal Melendez in diving, Dave Woolworth and David Waite in the 50 and 100 meter free style, and Lyle Rice in the 100 and 200 meter free style. This lineup should provide some excellent results during the present season.

Some of the very promising material to watch for in Cal Poly sports action for some time to come include: Dave Meurer, butterfly; Tom Bishop, backstroke; Ed Heinrich, breaststroke; and Hank Biddles, freestyle. A very fine prospect is Larry Toomb in the individual medley and the distance swim.

The schedule includes 8 meets and Cal Poly hopes to improve on last year's record and capture third place in CCAA competition this year.

Agriculture

The Agricultural division of California State Polytechnic College holds the distinction of having the largest undergraduate enrollment of any college or university in the United States. It is made up of thirteen departments boasting a total enrollment of 1620 students at the start of the school year. The departments include: agricultural business management, agricultural engineering, mechanized agriculture, animal husbandry, crops production, fruit production, dairy husbandry, dairy manufacturing, farm management, food processing, ornamental horticulture, poultry husbandry, and soil sciences, as well as the agricultural education department which provides an additional program of courses required of prospective secondary agriculture teachers.

The Division prepares students in the field of agriculture with the main objective of giving them a full and broad understanding of the basic factors involved in production, management, processing, distribution, marketing, sales, and services in the fields of related business, to make efficient operators and managers.

It is the function of the Agriculture Council to coordinate the activities of the division and take effective action upon proposals from the various departmental clubs.

To further friendship, fellowship and scholarship, is the purpose of the Agriculture Business Club. Founded five years ago, the group is active in the Poly Royal Rodeo and sponsors the Homecoming Dance. The club is designed to function in keeping with a "learn by doing" theme and all activities are carried out in this fashion. President Mike Franscioni reminds his co-workers that any organization is only as good as its members.

4 - H

Under the leadership of Karen Wood, the 4-H Club on campus began a busy year serving 4-H groups in the area. Heading the list of the year's projects were the Tri-County Home Economics Judging Day, Tri-County Livestock Judging Day, and the Livestock Skills Day. As a service club in the community, the 4-H is enjoying its third year of organization.

Ornamental Horticulture

Everyone is affected by Ornamental Horticulture in varying degrees—landscaping, gardening, flowers' for the chosen one . . . The Ornamental Horticulture Club increases the student's awareness and interest in these fields through projects such as Football Mums at Homecoming, guest speakers in the field, and the Poly Royal Garden and Flower Show. They also sponsor the flower judging team, who were the World's Champions for 1964-65.

Applied Arts

The Applied Arts Division is responsible for preparing men and women in vocational fields involving the applied arts, technical arts, technical writing, and certain fields of teaching. Acting as the coordinating board in this division is the Applied Arts Council. This group serves as communication media between the Student Affairs Council and the division clubs. The groups represented are Art Club, Block P, Business Club, Press Association, Camera Guild, Home Economics Club, Mat Pica Pi, and Student Teachers Association.

APPLIED ARTS COUNCIL

Left to Right: Nelson L. Smith, advisor, Janet McNeely, John Theilen, Linda Murray, Duane Douglass, Mary Franklin, Coralie Silvey, Michael McKenry, Dwight Perry, Barbara Edwards.

Art Club

The Art Club encourages its members to apply their own particular fields of art, including those not offered in classes, in art club projects. Now in its third year of organization, the club participates in Poly Royal through diversified displays.

Block "P" Society

The Block "P" Society has as its principal aim the establishment of the athlete as an integral and useful person, both on the Cal Poly campus and in society as a whole. They act as a service organization whenever the need arises in the San Luis Obispo area. They seek to bring outstanding exhibitions of athletic prowess to the campus to represent the athlete as an individual dedicated to physical fitness and healthy living.

Business Club

Our world is ever changing and we are faced with the problem of meeting the demands of society for the goods which make for better living. This involves business to a great extent and the business club strives to keep its members abreast of the changes in the total national picture. It also attempts to improve the student's college life, both socially and academically.

Cal Poly Press Association

Press Association provides extra learning and social activities for Technical Journalism students. The organization hosts speakers from the world of communications to help broaden the scope of journalism. Press Association participated in the November election coverage by helping tabulate returns for the Network Election Service. Highpoint in the Club's activities is the annual Poly Royal banquet which they sponsor. A key figure in journalism is the honored guest and speaker.

Left to Right, Bottom Row: David Waite, Christopher Nwosu. Second Row: Harry Tyler, Jim Kirstein, Dennis Pisila. Third Row: Rudolph Butler, Harris Harris, Donley Parmentier.

Camera Guild

This organization was formed by those students interested in learning photographic techniques and practices. They operate their own darkroom, which is open to members only. A few excursions are taken for the purpose of picture taking.

Home Economics Honor Society

This society was organized in order to honor scholastic achievement for Home Economics majors. The club strives to maintain close connections with the latest developments in the field of Home Economics and other related areas of interest to the members.

Mat Pica Pi

Mat Pica Pi, society of printing engineers, is interested in bringing together the printing majors and extending their knowledge in the graphic arts industry. They are a very active group on campus. Their activities include sponsoring a Homecoming Queen candidate, a Christmas Banquet and various field trips. Guest speakers help to keep them informed on the latest in printing and management in publications. Poly's activity calendar is printed by this organization.

Home Economics Club

Members of the Home Economics club have the opportunity of finding out more about Home Economics and related fields by belonging to this organization. The group is very active socially and educationally. Through social events such as the Halloween party, annual fashion show and departmental parties, the members become acquainted with each other and their department. Educational opportunities are offered by bringing various guest speakers to club meetings to familiarize the students with the different vocations in Home Economics.

Student California Teachers Association

In fulfilling their aim to acquaint education students with their future profession, the SCTA is participating in various student welfare projects in the San Luis Obispo area. These include tutoring of children in need of assistance and the organization of reading rooms in areas where children do not have the opportunity to come in contact with books. Campus tours for high school future teacher organizations are also conducted by this group. The alumni are honored at a tea during homecoming.

Left to Right, Bottom Row: Anna Nolen, Laraine Schutz, Sue Phalen, Claudia Nielsen. Second Row: Leona Dobell, Judith Lewis, Lynne Baker, Joan Evey. Third Row: Anthony Taylor, Frank Jacquez, Clinton Phalen, Jim Venneman, Lindsey Ralston.

Technical Arts Society

This organization has 88 members and has won the Homecoming float division title for three years straight. This is good evidence of their active spirit and friendly fellowship. A Technical Arts Wives Club has now been formed which will add to their activities. The annual smoker is one of the favorite activities among the members.

Applied Sciences

The primary functions of the Applied Sciences division are to provide courses for students working toward a Bachelor of Science Degree, to provide for all students the college courses designed to assist in meeting the requirements in general education, and to provide natural and social science courses for students preparing to teach. The Applied Sciences Council coordinates activities for all clubs and organizations in the Applied Sciences Division. It is composed of elected representatives from each departmental club and meets semi-monthly. Like other division councils, the group serves as the voice of the Student Affairs Council to the various clubs.

Amateur Radio Club

Transmitter hunts, picnics, and amateur radio contests were among the activities planned by the Amateur Radio Club this past year. The club was founded in 1947 to provide operating facilities for radio amateurs while attending Cal Poly. Heading the list of this year's officers were James Kohler, president and Bob Miles, vice-president.

Left to Right, Bottom Row: Bob Miles, Doug Stuard, Dave Krizo, Steve Blaisdell. Second Row: James Long, Brent Bell, Richard Bucich, C. Cloonan, Jim Finnell. Third Row: Tom Collins, Mike English, Dave Hessick, Bill Siefkin. Fourth Row: Joseph Embry, Steve McIntyre, James Kohler.

Beta Beta Beta

The first chapter of Beta Beta Beta was established at Oklahoma City University in 1922, however, the Cal Poly chapter did not receive its charter until 1952. The purpose of Tri-Beta is to stimulate sound scholarship, the dissemination of scientific knowledge and the promotion of biological research.

Each year the organization sponsors a "Botany Day" in which the members get together and work in the Botanical Gardens at the end of Poly Canyon.

Pep Squad

The California Association of Health, Physical Education, and Recreation is a state organization devoted to furthering physical education. Membership is open to any student or instructor and consists mainly of physical education majors. Among the club's varied activities is an annual potluck dinner.

Math Club

Promotion of professional, service and social activities in relation to mathematics is the goal of the Math Club. To emphasize this idea, the math club is active in events ranging from dances to lecture series. By doing so, they hope to prepare each member to act as an individual capable of broadening his concepts in relation to his development and as a member of the American society.

Kappa Mu Epsilon

Kappa Mu Epsilon is a national mathematics honor society open to math majors and double majors. Cal Poly's chapter follows the national standard in its requirements for membership. A student must be scholastically and socially well-rounded, as well as have high grades in the major.

Physical Science Club

Organized in 1957, the Physical Science Club promotes interest in the physical sciences. The members are given opportunities to visit modern industrial and research laboratories and military installations involved in scientific research. Guest speakers from physical science industries are invited to the campus.

Left to Right, Bottom Row: Christine Ball, Sharon Crass. Second Row: Vicki Dalton, Janet Gianolini, Anne Rice. Third Row: Jean Cheda, James Silliman, Frank Rivera, Donna Kolin. Fourth Row: Robert Wilson, Brian Cole, Anthony Taylor, Kenneth Borelli.

Left to Right, Bottom Row: Walt Wagoner, Valerie Pitzer, Herbert Kabat. Second Row: Wayne Sefton, Richard Whitney, Michael McCormick, Bernhard Piwezyh.

Social Science Club

This club is very active, especially during the election year. One of their most successful endeavors was the sponsorship, in conjunction with other ethnic clubs on campus, of the talent show with international flavor during the Poly Royal festivities. They work in conjunction with the World Affair Council in sponsoring speakers, debates and discussions of topics vital to world and governmental affairs. The U.N. Day celebration in San Luis Obispo was planned by this group.

Engineering

Engineering consists of understanding situations related to technical systems and components, analyzing and synthesizing them, and applying usable solutions to the situations.

The principal concept in engineering is the constant interplay between theory and application.

The engineering program is designed to equip the student with the necessary tools in order to cope with the real situations mentioned below.

The main purpose of the Engineering Council is to promote cooperation and unified action among the engineering divisions. These divisions include Aeronautical, Air Conditioning and Refrigeration, Architectural, Electrical, Electronic, Industrial, Machine Shop, Mechanical, and Welding and Metallurgical Engineering.

Fourth Row: Dick Mathwig, Larry Carlo, Bob Hammond, Mel Schneider, Marlin Whitney.

Sponsoring of a homecoming float and an open house for alumni are among the many projects undertaken by the Air Conditioning Club. To develop professional attitudes, to promote and provide for greater fellowship among students and to increase student understanding of the Air Conditioning field, are the goals of this club. The second oldest club on campus, it is in its 31st year of organization.

A rapidly expanding field of aeronautics and aerospace industries demands alert and capable leaders, as well as followers. A riotous smoker is held each year and proves to outdo the previous year's wild time. The Poly Royal exhibit at the aero hangar and the stress lab always prove to be one of the main attractions of the weekend. Watch for some of these students to take over the top positions in the aerospace industry in the near future.

American Society of Tool & Manufacturing Engineers

A student chapter of the largest society in the manufacturing industry, the American Society of Tools and Manufacturing Engineers at Cal Poly promotes the profession of tool and manufacturing engineering. The club presents guest speakers from the mechanical engineering, industrial engineering and technical arts field. The members participate in national industrial shows by submitting their displays for critical analysis.

Left to Right, Bottom Row: Ted Kanekuni, Jim Overmohle, Bob Farshler. Second Row: Tom Schweich, Robert Kozen. Third Row: Gene Day, Eric Lundquist.

American Welding Society and American Society of Metals

The American Welding Society and the American Society of Metals is the student chapter for the two national organizations. Its purpose is to acquaint the students in the department with professional people in the field and to help them keep up to date with improvements being made in metallurgy. The club sponsors informative speaker meetings each month along with a fall and spring picnic. Its members also participate in the annual Western Metal and Tool Exposition.

Tau Sigma

Unique aptly describes some of the undertakings of this honorary fraternity. For instance, they sponsor a tutoring lab three days a week for those students in the engineering department needing assistance with any of their studies. They also presented an informative talk on employment interviews on campus by Eugene A. Rittenhouse, College Placement Officer.

The name Tau Sigma was adopted as a paraphrase of the national fraternity because the engineering school here was not accepted by them. It is an ever growing entity now.

Inter-Faith

The Inter-Faith Council contributes a vital part to the student's life. With the religions of the world as the life-blood of the group, the various religious clubs give all the opportunity to participate in theological discussions and practices. The clubs included in this section are: Canterbury Club, Christian Science Club, Christian Fellowship, Gamma Delta, Hillel Club, Lambda Delta Sigma, Newman Club, Roger Williams Club, Wesley Foundation, and Westminster Club.

The wide range of clubs offers the students opportunity to explore other religions, and to delve deeper into their own faith. These clubs are active socially, too, which allows the students the chance to meet new people and become a part of Cal Poly's active religious clubs.

Canterbury Club

"We are proud of our Canterbury Club and the functions and services which it provides. Canterbury brings the Church to the campus and the campus to the Church."

"Religion and a strong faith in God is more important than ever before. It is our desire to fulfill the will of God at Cal Poly through our Episcopal fellowship-Canterbury." In these words Canterbury President Forest Risch epitomized the theme of his organization.

Enjoying a ten year charter at Cal Poly, the main purpose of Canterbury is to provide a living link between the Episcopal Church of Christ and the students on the Cal Poly Campus.

Christian Fellowship

This non-denominational group of Cal Poly students attempts to promote better understanding of Christianity through fellowship. Bible study and religious discussions are some of the ways they learn the basic philosophy and belief of Christ and His teachings.

Roger Williams Fellowship

The Roger Williams Fellowship offers a meeting place for the students of the Baptist religion. They are quite active in "Religion in Life Week" as well as other spiritual activities.

Wesley Foundation

This active group participates in an astounding number of projects which are both work and service in nature as well as holding numerous study groups during each week. Annual retreats are generally held each quarter which prove very meaningful in the students' search for an understanding of life. Religion in Life Week is one of the activities that Wesley is vitally concerned with.

Social Clubs

In the Social Division of the El Rodeo are clubs which promote interest in Cal Poly activities and friendship among the students. Included in this division are: Alpha Chi Omega, Arab Students, Bridge Club, Blue Key, Caissa Chess Club, Honor Society, Cardinal Key, Circle K, Rifle Club, Cultural Society of India, College Union, Rally Club, and DeMolay. These are just a few of the various organizations which accomplish the social goals of Cal Poly.

These clubs are very active on campus and add to the life of the Cal Poly student. Many of them sponsor queen candidates for Homecoming. Other events are instigated by these clubs, and they all contribute to the enjoyment of Poly life by the students.

Alpha Phi Omega

Founded in 1948, Alpha Phi Omega is organized to assemble college trained men with scouting experience to perform service to the college, community, and the nation. President Paul Sultzbach expressed the hope that "each man on the Cal Poly Campus will consider the many rewards of Alpha Phi Omega, for it is with those men that the ideals of friendship, fellowship and service can be passed on to the youth of tomorrow."

Blue Key

"The Blue Key can best be introduced and explained by noting the Blue Key motto: Serving, I live, and looking at the members in their varying fields of interest, their common degree of academic excellence, the varied ways in which they serve the student body through their clubs and organizations and their interest in helping the student body when it needs their enthusiasm, leadership, and influence." These are the words of Dave Holdsworth, President of Blue Key National Honor Fraternity. Its membership includes upperclassmen selected on the basis of their academic and extra-curricular activities.

Left to Right, Bottom Row: Charles E. Morrin, Rollie Elsea, Donald Harris, Lloyd Fero.

Caissa Chess Club

Chess anyone? This is the invitation of the Caissa Chess Club to all interested students at Cal Poly. The group was organized to foster interest in chess. Intramural tournaments are held each year to add to campus social life. New members are always welcome.

Cal Poly Honor Society

The main goal of the Cal Poly Honor Society is to honor the senior students with a 3.5 or better grade average. They consider the prime goal of students attending college to be scholastic success. They therefore pay honor to the students who succeed. Each year is capped with a banquet honoring these students.

Poly Corinthians

Active hardly describes this organization. They hold races with the San Luis Yacht Club every other week as well as sponsoring the Cal Poly Intercollegiate Racing Team. They sponsor a number of dances on campus each year. The activities center around their aim to further racing and pleasure sailing, which includes lessons for anyone interested.

Third Row: Russ Taylor, Roger Edwards, Chris Brown, Bill Bateman, John Ingram, George Campbell, Loren Kemper.

Poly Penguins

The motorcycle club seems to be achieving its aim to further interest in cycling. The campus blooms profusely with the machines. As for activities, they take part in enduros at various times and locations each year.

Bottom Row, Left to Right: Steven Conkle, Wayne R. Davis, Larry R. Williams, Don Sturges. Second Row: Larry Caley, Phil Saxe, Jack Anderson, Ross Holton. Third Row: Dave Rylaarsdam, Richard David, Roger Kientz.

Poly Skindivers

To promote good sportsmanship, friendship and respect among fellow skindivers, are a few of the goals of the Poly skindivers. The members are schooled in the mechanics and the federal law pertaining to the sport. Instruction in scuba diving is available to the members and they also assist in rescue operations at the ocean and nearby lakes.

Poly Twirlers

The Cal Poly square dance organization is very active in the central California area, making monthly visitations to dances in the area as well as attending others from time to time. The group enjoys wholesome fun and recreation bi-monthly in Crandall Gym when "Swing your partner . . ." is the call of the evening.

Left to Right, Bottom Row: Sherri Schneider, Peggy Oberg, Karen Campbell. Second Row: Norman Nesmith, Pam Priddy, Allan Douglas, Stephen Chaikin, Larry Lemon. Third Row: Jim Venneman, Bob Crawford, Dennis Jones, Richard Brabham, Judy Cochran, Bill Rourke.

Rally Club

Rah! Rah! Rah! Spirit is the byline of the Rally Committee. They provide help and leadership for any activity that needs assistance. Our entry into the annual Tournament of Roses Parade is constructed with the assistance of this group. All of the spirit building activities of the busy fall football season are sponsored by Rally Committee. Homecoming is one of their major undertakings. The lighting of the "P" is one of the most inspiring and thrilling sights of the school year, thanks to Rally Club.

Left to Right, Bottom Row: Mary Frampton, Laurie Marek, Caren Sabaloni, Laurie Nilmeier, Ann Nettleton, Sharon Hibdon, Polly Keogan, Sandy Trimpey, Sally Cook. Second Row: Carol Lawrence, Jill Hare, Cathie Crosbie, Anne Voorhies, Karin Froyland, Pat Underhill, Diane Thomas, Sally Irsfeld, Jan Brubaker. Fourth Row: Doug Yungling, Richard Rose, Tom Passantino, Russ Jones, Mike Dennison, James Ellis, Grubby Barker, R. Duncan, Mac Dyer, Bob Spayde, Jim Considine.

R.O.T.C. Marksmanship Team

The objective of this illustrious looking group of individuals is to encourage expert marksmanship — in other words to see who can hit the bull's eye the most times in a row—sort of analogous to splitting arrows, Robin Hood fashion.

Left to Right, Bottom Row: John Fox, Thomas Roth, Howard Miller, John Wilson. Second Row: Earl Owen, Rollie Elsea, Wayne Hall, Terry Rudkin, Frank Cox, Charles Dickerhoff. Third Row: Everett Ratzlaff, Stephen Eide, Richard Ramey, Ronald Pera, Stephen Plath, Leonard Portugal.

Roadster Club

All facets of motor racing are promoted by the Turtles. This is done by trips to special racing events, holding technical demonstrations and talks, and conducting a safety check for automobiles. The car show at Poly Royal is another of their undertakings.

Left to Right, Bottom Row: Warren Jones, Roger Gibb. Second Row: John Fendel, Paul DeMartini, Keith Corp. Third Row: Bruce Larson, Dave Young, Roger Larson.

Bottom Row, Left to Right: Dennis Sattler, Fred M. Hauenstein, Don Glover, Andy Lederer. Second Row: Don Gray, Jim Wallace, Rod Baishiki. Third Row: Fred Peterson, Richard Peterson, Bill Treder, Dave Behrmann.

Sports Car Club

Rallies are one of the interesting activities sponsored by the Cal Poly Sports Car Club. These are held several times during the year and cover most of the types of sports cars as well as the Detroit models.

Left to Right, Bottom Row: Paul McAllister, John Meek, William Ritter, John Hammon, Eric Wong, Wayne Onomura, Frank Rivera. Second Row: Terry Curl, Jim Kinney, George Coughlin, Clark Puntigam, Ted Van Tuyle, Robert Pinkerton, Dwight Filley. Third Row: Roger Bishop, Clinton Thalen, Fred Little, Richard Duncan, Daniel Louie, Mati Mesikep. Fourth Row: Brit Grim, Tom Bleier, James Lawton, Robert Deetev, Bob Speers, John Gotthold, Michael Howard.

Scabbard and Blade

Campus life is given a large boost by the activities of this society. They sponsor a homecoming queen candidate, a homecoming float, and the annual Military Ball. Furthering high standards of ROTC is also their objective. It has grown to be one of the largest military societies at an institution of higher education.

Ski Club

Several yearly outings are held at nearby ski resorts. Skiers of all levels of ability are welcome and accommodations are made for their instruction and education. The meetings feature movies and speakers from the skiing field.

Left to Right, Bottom Row: Donna Matthews, Sally Skinner, Claudia Nielsen, Margi McGookin. Second Row: John Havens, Jo-Ann Campbell, Wendy Pirog, Steffi Harkness, Anne Neblett. Third Row: Laurie Meyer, Perry Kupferman, Steve Mayer, Jack Harkness, Ann Sturdivant. Fourth Row: Bob Hammond, Jim Barcus, Charlie Brewster, Kim Cooper, Bill Rourke, Jim Dunn.

Women's Athletic Association

Intramural and intercollegiate athletic activities of various types are promoted by the Women's Athletic Association for the girls at Cal Poly. Many hours of wholesome enjoyment can be derived at these sports and physical activities including the bi-quarterly co-ed fun night, which is also sponsored by this group.

Left to Right, Bottom Row: Janice Imwalle, Shirley Davis, Linda Gagnon, Lindy Ward, Coco Collelmo. Second Row: Joann Imwalle, Ruth Rush, Nancy Bamberger, Karen Brown, Mary Hohan, Pat Stone. Third Row: Ann Sturdnant, Chis Iverson, Deanna Jensen, Lilalee Andersen, Kathie McBride.

Young Democrats

An election year offers this group a fertile area for activities and interest. Speakers, debates, discussions of the propositions, appearances of the candidates are just a few of the projects of this organization. Anyone interested can aid in grassroots politicking, which is what really wins elections in our complicated modern day society.

Left to Right, Bottom Row: Sharon Crass, Cris Ban, Janet Gianoliwi, Donna Kolin, Avril Klapper, Tricia Mayes, Carol Krawagna, Frank Rivera. Fourth Row: Hamma Hassane, Johnson Mugambi, Julius L. Murungi, Bourahima Amoidou, Homevor Augustin, Lotfi Maati, Saya Raphoel, Ruben Molango.

African Students

The African Students Club was organized to bring together the students here at Poly who are from the many nations in Africa. With most of the continent just gaining their independence these students will be faced with many problems when they return to their native countries. This club allows them to discuss problems which may occur with other students who will be in the same situation. This club also gives these students an opportunity to mingle socially and learn about the cultures and customs of the different African nations.

International Week

"Foreign students merging the diversified cultures of the world in a program to acquaint the American students with countries represented on campus." This is International Week as described by one of the foreign students. International Week is unique to Cal Poly. The student body is five per cent foreign students representing some 61 countries. All the foreign student clubs participated in the week's activities hosted by the People-to-People Club.

Miss College Avenue

Beth Biberstein was the 1964-65 Miss College Avenue. Beth, who hails from Vandenburg Air Force Base, is a freshman English major who plans to teach the third or fourth grade. Miss College Avenue is not the first title she has held. During her sophomore year of high school, Beth was honored as Homecoming Queen which preceded her being named "Most Outstanding Teacher" in her junior year. During the summer of 1964, she spent her days playing the role of a debutante representing Vandenburg. What Beth likes most on our campus is the friendliness of the students. Duel Hall made a most appropriate choice by selecting Beth Biberstein Miss College Avenue for 1964-65.

The idea of Miss College Avenue was created by John Lillis in the fall quarter of 1961. The men of Duel Hall, the only men's hall on College Avenue, wanted to meet the women in the three halls—Chase, Heron, and Jespersen. Thus, from 1961 it has become a tradition for the men of Duel Hall to choose a Miss College Avenue.

Poly Royal

Happiness is a "Country Fair on a College Campus." With this in mind, Cal Poly's students presented varied exhibits and activities representative of our college to thousands of visitors.

College administrators, assisted by honored guest George Couper, greeted the spectators at the opening ceremonies early Friday morning. The sounds of music, cannons and crowds christened the 33rd annual Poly Royal held April 30 through May 1.

Highlighting events of the exciting weekend included comprehensive departmental exhibits, friendly dances, a claustrophobic carnival, breathtaking Intercollegiate Rodeos, and a savory barbecue.

On Tuesday evening, September 22, 1964 when seven o'clock rolled around and most students had settled down to thoughts of studying, 26 devoted Cal Poly enthusiasts converged from all directions to the Graphic Arts Building, Room 202. This was the beginning of the 1965 El Rodeo.

During the next seven months we experienced things that could only happen to a yearbook staff: photographic expeditions to the coastline to capture pictures of sealife "clinging to the rocks"; a perfect day for the beach yet finding ourselves down in good ole Graphic Arts 202 working to meet our deadline; a yearbook party in the Fall; the "developing" lessons in the darkroom; a New Year's resolution concerning the quality of pictures; Tuesday evening's "compatible" staff meetings; and the never ending problem of the editor who smoked and the associate editor who didn't.

Special recognition and thanks go especially to our advisor Mr. Loren Nicholson who spent every minute of free time concerning himself with the problems of El Rodeo; Charlene Klemptner, associate editor, who kept a close watch over me to see that things were completed on time, and sat in on Board of Publications for me during Fall Quarter; Mr. Viga Hall, representing Taylor Publishing Company, for his many trips north to see how we were doing; S. K. Smith Company for printing the cover, and Jane Lutticken, art editor, who designed our cover; Dunlap-Turney Photographers for efficient work on senior pictures; Monty Odett for his "taxi service" for the editor without wheels; Gus Tomaras for his beautiful seascape appearing on this page; Steve Meith for the color pictures appearing in the front of the book; and the entire staff of photographers who devoted an unlimited amount of time to capture for the students of Cal Poly the memories of the 1964-65 school year.

Without the help of our entire staff this book would not be a reality so I would like to thank all those members who came to our meetings and were willing to give up an occasional Saturday to put in extra time.

But most of all I could not leave out the sincere appreciation I have for the members of the Board of Publications and Student Affairs Council who saw fit to elect me for this position of El Rodeo Editor.
